COMPACT AEROSOL

Compact Air Care Refill
Still 3000
Metered Sprays!

Standard 3000 Metered
Spray Refill

More of what you want:

- Odor control
- Clean fresh fragrance
- Compact discreet size
- Reduced storage and shipping costs
- Reduced waste

Less of what you don't:

- Propellant
- V.O.C's
- Bulky size

Micro Molecules at Work:

1. *Action:* Compact's Proprietary "Micro Molecules" float significantly longer.

Result: Longest-lasting fragrance & odor neutralizers.

2. *Action:* Compact's "Micro Molecules" disperse better with air flow.

Result: More coverage for fragrance & odor neutralizers.

3. *Action:* "Micro Molecules" odor neutralizers attack and neutralize unpleasant & unavoidable odors.

Result: The washroom is odor-free!

4. *The long-lasting Compact results:*

- Malodors are eliminated
- Your restroom is left with a clean fresh scent!
