CLEAR™

Natural Odor Eliminator and Pump Air Dispensers

Pump Air Care Scents

Pro-Link's Clear natural odor eliminator is the newest refill for our Pump Air Care Systems. Clear eliminates all odors, including smoke, food and trash odors. Its light initial scent dissipates in seconds. Clear, as with all pump air care scents, are an environmentally friendly solution to your facilities odor control needs.

Pump Air Care Systems

State of the art technology maximizes odor control effectiveness, reduces cost-in-use and provides visual or audio indicators to minimize labor costs while ensuring continuous

control. These battery operated units offer features for a variety of operating needs.

- Keyless lock deters theft while assuring access to personnel
- Long lasting – up to 168 days
- Covers up to 6,000 cubic feet
- Five year warranty
- Automatic, timed dispensing
 - Adjustable spray intervals for customized odor control.
 - Selectable operational times
- Easy Indicators
 - At a glance status for battery and refill life.
 - LCD model also offers audio alerts.
