Pro-Link World Traveler

Experience fragrances from all over the globe with Pro-Link's World Traveler Aerosol Collection. These new fragrances are made up of rare and exquisite oils for the best aromatic experience of spices, herbs, floral and citrus scents. Clean, fresh fragrances reinforce the signature of a hygienic restroom. Fits most metered aerosol dispensers.

African Safari – Blend of woods, spices and floral scents from the wilderness of Africa's jungles, deserts, and national parks.

All American – Relaxing scent of apple pie with hints of vanilla, and nutmeg – the essence of North America.

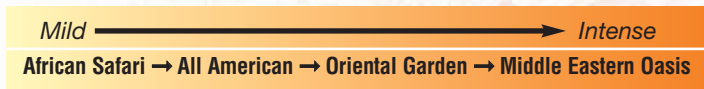

Oriental Garden – White floral scent with gardenia, neroli, white lily, orange blossom, tuberose and ylang from the flora and fauna of Asia.

Middle Eastern Oasis – Rich in oudh, incense, exotic woods, myrrh, saffron, and frankincense to reflect the scents of the Middle Eastern region.

Fragrance Intensity Range

World Traveler is part of our Standard Aerosol System which includes dispensers and a large selection of other scents.
